ENJOY PERSONALIZED CARE AND SERVICES THAT GO FAR BEYOND WHAT OTHER MEMORY CARE HOMES PROVIDE.

PHYSICIAN SERVICES

We are proud to provide on-site physician visits for our residents that focus on high quality, personalized, and confidential medical care. We also work with a laboratory and x-ray company that comes right to our Azura home for blood draws, x-rays, ultrasounds, swallow studies, and more.

PHYSICAL, OCUPATIONAL AND SPEECH THERAPY

Therapy is provided to our residents in the comfort of their Azura home. These services are prescribed by the doctor, and typically covered by Medicare or insurance.

DNA TESTING

Our commitment to innovation is proven through our use of GeneSight®'s cutting-edge DNA testing to gauge the effectiveness of medications for each resident and to ensure proper dosing and efficacy.

PSYCHIATRY SERVICES

Our group of highly experienced psychiatrists and nurse practitioners provide on-site psychiatric consultation to our residents. This provides better communication with our team and a better understanding of your loved one's care.

SALON AND SPA SERVICES

Enjoy a spa day without ever leaving the comfort of your home. We offer in-home beauticians for men and women's hair care, shaving, waxing, nail care and more to ensure our residents are always looking and feeling their best.

PODIATRY SERVICES

We offer podiatry services in our homes, and the podiatrists come on site to address needs and concerns for your loved one.

HOSPICE AND PALLIATIVE CARE

Hospice and palliative care is available at Azura, and your loved one can live with us through the end of their life. Our team members are trained on how to use mechanical lifts and other equipment to make transfers easier and make residents as comfortable as possible while keeping their dignity.
