### Reader's Theater

Every Monday Afternoon

Gather around the living room as we read through fun and interesting plays. Reading skits in a group setting can foster improved communication, teamwork, and interpersonal skills while enhancing cognitive benefits such as reading comprehension and critical thinking. This activity can help to improve memorization and recall abilities as we work together to bring the script to life.

### Star-Spangled Strolls

Every Tuesday and Thursday Afternoon

Lace up your walking shoes and join us for a patriotic stroll filled with fresh air, friendship, and festive spirit! Whether we're enjoying a peaceful walk around the grounds or exploring a nearby park, we'll take in the beauty of summer while sharing stories, laughter, and a few red, white, and blue surprises along the way. It's the perfect way to stay active and celebrate the season—one step at a time!

### The Conversation Pit

Every Wednesday at 2 PM

Congregate in the common area and commence to hear or tell a tale about life. Join together as we talk about our hobbies, vacation, family and friends, whatever you would like to share. Drinks and snacks will be served.

### Firecracker Fitness

Every Monday, Wednesday & Friday Morning

Get ready to ignite your energy with Firecracker Fitness—a fun, upbeat exercise session designed to get your body moving and your spirits soaring! This class features gentle cardio, stretching, and strength-building exercises set to lively, patriotic tunes. Whether you're sparking new fitness goals or keeping your momentum going, join us to celebrate independence with every move. Let's light up the room with energy and have a blast together!

### Jeopardy in July

Every Friday Afternoon

Light up your mind and spark some fun with Jeopardy—an activity filled with brain teasers and puzzles, designed to challenge and delight! Test your knowledge of summer trivia, patriotic history, and more while enjoying friendly competition and lively conversation. It's the perfect way to keep your intellect sharp and celebrate the sparks that make every July unforgettable.

### Crafter's Corner: Paint & Create

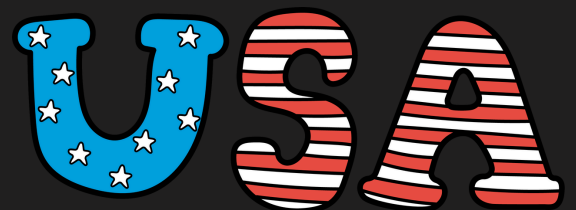

Every Sunday and Tuesday Afternoon

Get ready to add some color and sparkle to your summer with Paint and Create! Whether you're a seasoned artist or just want to have fun with paint and creativity, this activity is all about celebrating July with bright colors, bold designs, and plenty of pop! Let your imagination sparkle and create your own masterpiece to light up the season.

### Luau for Independence

Tuesday, July 8<sup>th</sup> at 2 PM
