EAU CLAIRE HOUSEHOLD HAPPENINGS LOVIN' OUR *Earth* IN APRIL

Connecting with Nature

With the weather getting nicer, let's enjoy some time on the patio soaking up the sunshine, breathing in the fresh spring air and listening to the birds.

Going Green in the Garden

Every Monday Afternoon

April is the perfect month to prepare our gardens for a beautiful bloom! Spend some time in the garden pulling weeds, raking, setting up bird feeders, and plot out where you want your flowers to go!

Discover Germany

Every Friday Afternoon

Join us as the Azura Armchair Travelers fly to Germany and learn about their customs. We will be visiting several cities and enjoying the recipes and beverages of Germany.

Global Movements

Every Thursday Morning

Stretch your body as tall as a tree, then move your arms in a circle to represent the Earth, and kick your feet up to reduce, reuse and recycle! We will be enjoying some earth day yoga poses to start our mornings!

Science for Seniors

Every Wednesday Afternoon

We love our earth, and we want to know how it works. Join us to find out how flowers get their colors. What does germination look like? Watch as our seeds bloom and grow.

Crafter's Corner: Recycled Art

Every Wednesday Morning

What better way to show our love to the Earth than by using our garbage to create something beautiful? We will be making DIY seed bombs, toilet paper roll bird feeders and button stamp masterpieces just to name a few!
