### **Reminiscing with the Senses: School Days**

Every Monday Afternoon

Lets have a blast from the past as we talk about our favorite school memories and experiences.

### **Kitchen Creations: School Lunches Then and Now**

Every Wednesday Afternoon

In this month's Food for Thought program, we explore the history of school lunches by unwrapping information about their past and present, and then, creating some classic school lunches!

### **Back-in-the-Day School Social**

Every Friday at 2 PM

This social we've scheduled will be a blast, reliving the charms of school days past. From the schoolyard to each classroom lesson, let's step back in time to when school was in session!

### **Wheelchair Relay Races**

Every Monday Morning

We will be setting up a safe relay race course in your home for residents to enjoy a morning of friendly competition with their neighbors! Split the group into teams and exchange a high five when the baton is handed to finish the race!

### **ABC Easy as 123**

Every Thursday Afternoon

For each category, name three related words—one each for the letters A, B, and C. Then repeat as many times as you can. It's really not as "easy" as you might think, but it is sure to get your brain moving!

### **Crafter's Corner: Back to the Drawing Board**

Every Monday Afternoon

We will be reliving our old art class days with a Back to the Drawing Board themed Crafter's Corner! Enjoy creating place markers, blackboard greetings, brown bag booklets, and more!

### **Wheels on the Bus Scenic Drive and Ice Cream**

September 16th at 10 AM

We will be going for a wheely-fun ride to see the community and get some tasty ice cream treats along the way. We will be going for a wheely-fun ride to see the community and get some tasty ice cream treats along the way.
