### **Back-in-the-Day School Soiree**

Every Tuesday Afternoon

### **Wheelchair Relay Races**

Every Monday Morning

We will be setting up a safe relay race course in your home for residents to enjoy a morning of friendly competition with their neighbors! Split the group into teams and exchange a high five when the baton is handed to finish the race!

### **ABC Easy as 123**

Every Friday Afternoon

For each category, name three related words—one each for the letters A, B, and C. Then repeat as many times as you can. It's really not as "easy" as you might think, but it is sure to get your brain moving!
